**Manhattan, NY** Concept Illustrator + Graphic Designer  
**April 2017 - Dec 2019** **The Studio NYC**

- Designed initial concepts to be pitched to clients, resulting in completed illustrations and/or graphics for advertising companies.
- Specialized in time management to complete multiple projects on time.
- Art Directed specific projects based off of the clients requests and feedbacks until finished and satisfied.
- Composed over 10 storyboards monthly to be completed in animatics by our 3D team.
- Created concepts and illustrations in a very specific style for each client to bring their vision to life on paper, then rig and animate the final product by our very own 3D team.
- Designed presentations and organized layouts for a comprehensive pitch to clients.

**Orlando, FL** Concept Artist  
**May 2014 - Oct 2014** **Falcon's Creative Group**

- Developed multiple concepts for global entertainment destinations to cutting edge digital storytelling, to unparalleled themed experiences.
- Designed many themed parks and rides, concepts for virtual experiences, character designs, environment design, architecture, and props.
- Managed multiple projects using time management, speed painting, and teamwork to accomplish the clients goals.

**Sarasota, FL** Concept Artist & Graphic Designer  
**Oct 2014 - Present** **Freelance**

- Developed many Character designs, Illustrations, Environment designs and much more in a variety of styles as well as my own.
- Designed environment concepts for League of Legends hero Sigil such as panorama environments with separated elements to animate and prop designs.
- Collaborated with a world-wide team full of talented professionals such as animators, game designers, concept artists and graphic designers.
- Designing many websites, logos, brand identity, art direction, mockup design, editorial design, brochures, articles, posters, layouts and much more.
